ZONTA CLUB OF WASHINGTON COUNTY AREA, PENNSYLVANIA
P. O. Box 1035 Washington, PA 15301

Dear Friend,

The Zonta Club of Washington County is the local chapter of Zonta International. We are an organization of professional and businesswomen who believe that by advancing the status of women, our society as a whole is improved. Our mission is to enhance the economic, educational, health, legal and professional status of women at both the local and the global level, through programs of service, recognition and advocacy.

Members in our Washington County Zonta chapter work together on community service activities and sponsor events to raise funds to support these programs. To name a few:

- ***Provide scholarships for non-traditional Nursing students to help defray educational expenses***
- ***Present the Amelia Earhart Awards to recognize Junior Girls from local high schools for outstanding achievement and service***
- Sponsor The Rose Day Awards and Dinner to honor women who have made a difference in or community through their work in nonprofits, the arts, social programs, business, government agencies and education
- Partner with Habitat for Humanity to fund the rebuilding of houses in Sri Lanka
- Raise awareness and prevention of violence against women in eastern Europe through support of the International
- Provide educational materials and pre and post natal supplies to women in third world countries in our "Birthing Kits" project
- Contribute household goods and supplies to local charities throughout the year
- Work with the Womens' Shelter to mentor their clients in basic life skills, support their efforts at self improvement and encourage hope
- Encourage childhood development through support of local youth programs like the LeMoyné Center and Literacy Council

For information about our chapter, including criteria for membership, please see our website:
www.zontaclubwashingtonpa.org

Thank you.
