

*Zonta of Washington County presents
our **Third Annual Road Rally** !!*

OK - so what is a Road Rally ??

A Road Rally is a cross between a scavenger hunt and trivia contest. It takes place in and around Washington, PA and focuses on local sights and points of interest. It is a team event where people travel around the Washington area and collect items, solve puzzles, answer trivia questions and have a carload of fun!

The "Rules":

- 1) All Team members ride together in one car - all must be present to start.
- 2) The rally is not a race, but it is timed - you get just 3 hours to complete all tasks.
- 3) No One is to speed.....all traffic rules are to be obeyed!**
- 4) Scouts Honor - No cell phones / nextels / walkie talkies; No GPS or other tracking devices. Just use your noodle and knowledge of the city. *
- 5) Collect all the items, take all the pictures, answer all questions, post the fastest time & win a prize !!
- 6) Eat, drink and be merry at the Finish Line (and bid on Gift Baskets!)
